Local Healing Services
 with Frank Kelly

He was raised the sixth of twelve children in a devout Irish Catholic family in Boston. He miraculously survived what should have been a lethal dose of electricity. Frank's life took a dramatic turn and his early devotion to the Sacraments, Rosary and Prayer expanded and increased. Now he travels throughout the country, sharing his life changing experiences and story, which is the subject of the book "Short circuit to God". He has been blessed with many Apostolic gifts. His ministry consists of Healing Services, Spiritual Seminars, Retreats and Conferences. His periods of prayer with individuals are powerfully accentuated by his gifts of discernment, word of knowledge and healing. Many have been touched by God through this simple, humble man whom God uses as a vessel to heal mind, body and soul.
